Courses: minimum of required credits: 2 50% of the graduation grade. minimum of elective credits: 20 (At least 6 credits of the doctoral program *The Department of Chinese Literature does not of our department) accept students for direct admission to 2. Dissertation: 12 credits advanced programs. *Required credits + Elective credits + Dissertation = minimum credits for graduation In accordance with the NCHU Regulation for III. Transfer credits: maximum 9 credits Credit Exemption, the application for credit (Students who have previously dropped out of the doctoral program of our exemption must be submitted before the deadline department can transfer up to 16 credits.) for course add/drop in the first semester of enrollment. In accordance with the NCHU Regulations on Course Registration, the credits and courses that graduate students are required to take each semester must be approved by their advisor or the chairperson/director of the department, graduate institute, or degree program. If necessary for their studies, graduate students may take relevant undergraduate courses beyond the required credits of their department (graduate institute, degree program) with the consent of the IV. Undergraduate credits from discipline-related courses may be counted toward course instructor. To have these courses counted graduate program graduation credits. toward graduation credits, approval must be obtained from their advisor and the relevant meetings of the department, graduate institute, or degree program. However, a maximum of 6 credits is allowed. (Our department resolved in the 2nd Doctoral and Master's Degree Examination Committee Meeting of the 2nd Semester of the 104th Academic Year on June 22, 2016, that undergraduate credits will not be counted toward graduation credits.) V. Credits from other departments (graduate institutes): maximum <u>6</u> credits Including inter-university credits. VI. Core courses and credits: 14 credits Core Course Title Credits 1. Failed core courses must be retaken. 2. Students who fail to complete the core courses Special Topics: Chinese Culture 2 12 are not allowed to graduate. Dissertation VII. Prerequisite Courses (not included in graduation credits): <u>0</u> credits VIII. Evaluation for Doctoral students: Doctoral students must appoint their advisor by the end of their first enrollment year, with the approval of the department chairperson (graduate institute). IX. The Doctoral Qualifying Examination: Doctoral students who have completed the minimum required study period, Doctoral students who fail the qualifying fulfilled the required courses and credits, and prepared a draft of their examination cannot apply for the dissertation dissertation outline and essential content are eligible to apply for the doctoral defense. Those who fail the retake will be candidacy qualifying examination. Passing the examination requires expelled from the university.

approval from at least two-thirds of the committee members.

X. Dissertation Defense: (Doctoral Degree Examination)

- 1. Graduate Students must obtain a certificate of completion for the "Education graduation grade. on Academic and Research Ethics" course before applying for the dissertation Graduate students may complete self-directed defense. Each department (graduate institute or degree program) determines learning and pass the final test on the "Center for the qualifications for this requirement.
- 2. Students who have passed the doctoral qualifying examination and finished the website to obtain a certificate of completion. If a draft of their dissertation may apply for the dissertation defense. The department (graduate institute or application must be submitted at least 20 days before the scheduled defense program) requires participation in professional date, following the semester's enrollment procedure and course registration. academic research ethics education courses, such The passing grade for the defense is 70.

Dissertation defense score accounts for 50% of

Taiwan Academic Research Ethics Education" requirements will be implemented by the specific regulations set by the department (graduate institute or degree program).

Students who fail the dissertation defense may apply for a retake in the following semester or academic year if the study period has not yet expired. Students who fail the retake will be expelled from the university. The grade of those who pass retaking the dissertation defense is

uniformly calculated at 70.

In accordance with Article 2 of the NCHU Guidelines for Including English Proficiency as a graduate students. (Enacted in the 57th Academic

XI. Others:

1. English Proficiency Graduation Requirement:

As resolved in the 193rd Department Affairs Meeting on August 6, 2008, this Graduation Requirement, departments and department's English proficiency graduation requirement is as follows: institutes are authorized to establish their own Master's and Doctoral Program: The advisor determines the requirement based English proficiency graduation requirements for on academic needs.

2. Students who are not graduates of a department related to Chinese literature Affairs Meeting on March 26, 2009) and have not completed at least 8 credits of required courses from the department must take 2 required courses (full-year courses) from the department's bachelor's program or continuing bachelor's program after

Those who are not graduates of a graduate institute related to Chinese literature must take at least an additional 8 credits of courses from the department's master's program after enrollment.

These courses will not be counted toward the graduation credits for the doctoral program.

3. Graduates of our department's master's program may not retake courses they have already passed in the master's program, and graduates of other universities' master's programs may not retake courses they have already passed in their original master's program.
